### HOW TO CREATE LAYOUT

1. Use the Green Cardstock as the base of this layout.
2. Using the Postage Stamp Rotary Blade, cut the gray spot pattern paper to  $11\frac{3}{4}'' \times 11\frac{3}{4}''$ .
3. Flip the paper over to the yellow side. Place the base of the Postage Stamp Place 'n' Punch on the paper so you can see the monkey through the opening. Secure the top of the punch on the other side of the paper, and punch. Turn the paper back over to the gray spot pattern and punch 3 more spots where you would like the word "ZOO", and one at the lower right corner for the date.
4. Adhere the spot pattern paper in the centre of the Green Cardstock.
5. Adhere (2) photos measuring  $5'' \times 3\frac{1}{2}''$  and  $2\frac{1}{2}'' \times 3\frac{1}{2}''$ ,  $\frac{3}{4}''$  from the right edge. Adhere (3) photos measuring  $3\frac{1}{2}'' \times 2\frac{1}{2}''$ ,  $2\frac{1}{2}'' \times 2\frac{1}{2}''$  and  $3\frac{1}{2}'' \times 2\frac{1}{2}''$  below the first ones.
6. Using the Postage Stamp Rotary Blade, cut a  $6'' \times \frac{1}{8}''$  strip of yellow paper. Adhere below the photos.
7. Adhere the yellow monkey stamp punch, as shown, using Foam Adhesive Squares.
8. Using an All-Purpose Scissors, cut the letters from the ZOO sticker. Apply a letter to each of the yellow sides of the three postage stamps punched earlier. Using Foam Adhesive Squares, adhere the letters off-set from their original spots.
9. Apply the lion sticker and the "day at the" stickers. Apply the "A" sticker, using a Foam Adhesive Square.
10. Using an All-Purpose Scissors, cut the light green leaf from the pattern paper. Journal, using a Black Dual-Tip Pen and adhere, as shown.
11. Write the date on the yellow side of the lower stamp punch and adhere, using Foam Adhesive Squares.
12. Apply the rest of the stickers, as shown.
